Agave					
mitis					233,RS*
salmiana				130*	
utahensis			95		
utahensis var. nevadensis			94		
Aporocactus					
conzattii				179,184	
martianus				184	
Ariocarpus					
fissuratus		62*			
retusus subsp. Scapharostroides		RS*			
trigonus		62*			
Backebergia					
militaris	WTH 783				
Cactus					
geminatus					
					239
Coryphantha					
cornifera				131*,132*,133	
delaetiana					195*,197
elephantidens		1*,19,20,25			
wohlschlageri		27,28*,2929*			
Cypripedium					
conzattianum				184	
Discocactus					
ackermannii				184	
martianus				184	
Echeveria					
simulans					232,232*
Echinocactus					
hexaedrophorus		19			
horizontalonius		19,60			
Echinocereus					
carmenensis		64*			
cinerascens				132*,133,133*	
coccineus		60			
engelmannii var. chrysoctrus			95		
engelmannii var. variegatus			95		
pectinatus					197
polyacanthus					197
triglochidianus var. mojavensis			95,97		
Escobaria					
cubensis				166	
vivipara var. arizonica			97		
vivipara var. arizonica f. rosea	Lz 246		93,93*		
vivipara var. kaibabensis	Lz 104		95*,97		
Eupatorium					
conzattii				184	
Ferocactus					
acanthodes			95		
latispinus				132*,133	
macrosiscus				179	
Hellocereus					
conzattianus				184	
Hibiskus					
martianus		38			
Larrea					
tridentata			95		
Leuchtenbergeria					

Mammillaria					
à dents d'Éléphant		23,25			
albata			73		
albicans		64			
albilanata var. tegelbergiana				177	
amethystina				172	
amphimelaena				172	
angularis			79		212
antesbergiana		13			249
antesbergiana	PN 599				250*
apozolensis					193*
applanata		41			
aquila				172	
argyphaea				172	
arietina				144	
baldami				172	
beiselii				191	
belonoides				172	
bemalensis	Rog 113		79		219*,220
bicornuta			78		
boehmii				172	
brachytrichion				TB*	194,195*,195*,197,197*
breullii				172	
bucareliensis			78,79,80,83		214*
bucareliensis var. bicornuta					218
bucareliensis var. multiflora			80,83		
bucareliensis var. tamaulipa			80		
bucareliensis var. tamaulipa	PN 236		83*		
buchholtzii				172	
bullardiana					209
caespitosa			67		
calaena				172	
calaina				172	
candida			65*,66,67,69,72,73	153,154*,155*,156*,156, 157,158,159	209
candida	Rog 092		68		
candida	SB 827				129*152,152*,153,156

candida	UL15/276		70*		
candida	UL 15/277a		70*		
candida	UL 15/278		71*		
candida	UL 15/282		71*		
candida	UL 15/284	TB*	71,RS*		
candida	UL 15/285a		71*		
candida aff. SB827					153,158
candida subsp. menchacaensis			67		
candida subsp. Ortizrubiona					159
candida var. estanzuelensis			67		
candida var. rosea			67		
caput medusae				172	
carnea				150	
carycina				172	
catapyrrha				172	
centralifera	Rog 585		79		216*
centricirra		2,3,4,6,7,8,9,10,11	74,78	142,145,146*,147,148,149 ,150	210,211,212,213,215,216
centricirra	K 247			148*	
centricirra var.		12			
centricirra var. lepidula				172	
centricirra var. recurva				151	
centrispina		42,43,46,47		150	
ceratophora		5,6,12		142,143	
chiasta				172	
cirrhifera			79		
closiana		46			238
collinsii					188
columbiana subsp. yucatanensis					177
compressa		2,4,8,9	74,79,80,81		
compressa	PN 137		78*		212*,218*
confusa		53		174,175*,177,185,186,187 ,188,189,190,192	243,244,246
confusa var. centrispina				176,176,186	238,239
confusa var. conzattii				186,187,187*	
confusa var. robustispina				176,176*,186	
conopsea		3	79		
conspersa				172	
conzattii		47,48*,53		177,183,185,186,187,189,	235,237,240,241,242,243, 244,246
coronaria var. hexacentra				172	
crassimammillis			80		
crocidata var. belonoides				172	
crocidata var. buchholtzii				172	
cubensis				164,167*	
deherdtiana subsp. dodsonii				179	
diacentra			87		
discolor				172	
dolichocentra var. dorycentra				172	
dolichocentra var. fulvispina				172	
dorycentra				172	
eichlamii				191	
elegans		12			
elephantidens		19,20,20*,21,21*,22,23,24 *,25,26*			
elephantideus		22,24			
ericantha var. velizii				177	

ericentra				172	
esseriana			79		
estanzuelensis			67		
eximia				172	
eximia var. ericentra				172	
eximia var. fellneri				172	
eximia var. ferruginea				172	
eximia var. funkiana				172	
eximia var. kleineri				172	
eximia var. vulpina				172	
ferruginea				172	
festiva				172	
fischerii		40,42,43,46			238
flavovirens			78		
formosa		41	73		233,233*
formosa var. argentea				172	
formosa var. picturata				172	
formosa var. vanescens				172	
fulgens				172	
funkiana				172	
geminata					234,237,238,238*239,240, 241,242,243,244,245
gladiata		41			
glassii ssp. ascensionis var. nominis-dulcis					228,229,231*,232,232*, RS
gummifera		13, 13*			196*,197
guttata				172	
haageana		12			
hageri				172	
hamiltonhoytea				149	
harnwinskiana		24			
jamaicensis				167	
johnstonii				149
